### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: The cited prior art fails to teach claimed invention alone or in combination.

Specifically, the cited prior art fails to teach format-data storage unit storing format-data for a plurality of different forms and a form-making unit which reads format-data from format-data storage unit that correspond to said form selected by the customer, and creates the form based on the read-format data. The cited prior art teaches forms stored in specific format and user can select that form but it fails to teach form-making unit, which builds form based on user specified data format as claimed. Therefore the claimed invention is allowable over the cited prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
